3G trial offer

BHUBANESWAR: Aircel, a leading telecom service provider, on Wednesday announced the launch of 3G services in Berhampur, a major southern Odisha district.

According to Aircel, customers could experience the speed of 3G services at its stores in the city. The telecom service provider said to enhance the 3G experience for the customers, a 3G trial offer for new subscribers as well as existing subscribers had been introduced.
