## Aircel delights its customers with *Full Talk Time* offers in Assam

GUWAHATI, JAN 12: In its commitment to 'do a little extra' for the valued customers in Assam in the New Year, Aircel, one of India's leading innovative telecom service providers, today announced the launch of yet another unique *Full Talk Time* offer tailor made for customers.

*Full Talk Time* offers benefits of extra talk time and subscribers will be getting offers on their numbers directly according to their usage patterns. They need to call 1288 (toll free) to know their *Full Talk Time* offers.

Dibyajyoti Khaund, Business Head - Assam, Aircel said, "Aircel has recently celebrated glorious 10 years of service in Assam and our products are in line with our commitment of offering the best to our valued customers for their constant support. Keeping in mind the New Year and this festive season of Bihu, *Full Talk Time* offers will help our subscribers to stay connected 24x7, wish their families and friends across the country without worrying too much about their mobile bills."

Dibyajyoti added: "Aircel

has successfully validated its position as an innovative brand that always offers extra value to its customers. Aircel products are designed at offering the customers with smart, relevant and innovative offers."

The company always believes in adding an element of 'Extra' in its products to give joy and happiness to its customers.

Aircel constantly upgrades and optimizes its existing network in Assam to increase capacity, achieve higher efficiency and reduce existing pressure on networks.
