Aircel opens 'Xpress Stores' in Rehari, Vijaypur

Jammu, Dec 3: In its continuous endeavor to strengthen customer outreach, Aircel, one of India's leading telecom players, today launched 'Xpress Stores' in Rehari and Vijaypur.

As per a press release, the 'Aircel Xpress Store' will offer a complete customer experience including New Prepaid and Postpaid Connections, SIM Swap, Prepaid Recharge, Postpaid Bill Payment, Customer Query Resolution, Quick Activation, Roaming and Data activation requests.

Speaking on the occasion, Sundeep Talwar, Circle Operations Head, J&K said, "Aircel is delighted to inaugurate its Xpress Stores in Rehari and Vijaypur. In J&K, we aim to consistently provide our customers with innovative and best value for money products and services".

He said that setting up Xpress Stores across J&K will help the company to reach out to more customers and give them an experience of Aircel's products and services. Aircel is one of the market leaders in J&K, thus setting up these Xpress Stores will play a significant role in strengthening our relationships with customers.

He added "Aircel has been committed to the growth of J&K and by opening minimum one-two Xpress store per Tehsil, we aim to generate employment opportunities for youth of the state as well."
