With Aircel STD goes 10p/min

GK NEWS NETWORK

Srinagar, Jan 28: India's leading telecom player, Aircel today launched industry's first unlimited STD proposition – Uniting India @10p.

Anupam Vasudev, Chief Marketing Officer, Aircel, said, "We are delighted to launch yet another industry first product Unlimited STD On-net calls at 10p/

min bundled with limitless music free for 30 days."

Aircel customers, new and existing, recharging with unlimited STD pack will enjoy additional benefits of Aircel's limitless music pack absolutely free for 30 days, he said. "This revolutionizing offer will enable customers to stay connected anywhere in India and listen to their favorite music free of cost," he said.
