TEST NEWS

Aircel launched a Buddee Pack, for the student community in Delhi. With the paid service, students preparing for graduate and postgraduate entrance tests can access real-time entrance news updates on their handsets. Students can get information regarding the availability of forms, application deadlines, seats, institute rankings, eligibility criteria and web links of institutes. Buddee Pack offers information on diverse pro-

grammes, disciplines, tests and organisations in the government as well as private sectors, such as BBA, law, fashion, journalism/ mass communication, hotel management, All India Engineering Entrance Examination/engineering, BPharma, BDS, medicine, para-medical areas, National Defence Academy, among others. Students can subscribe to it on a weekly or a monthly basis. It also promises entrance updates with three alerts per day and study tips for entrance tests.
